

Letter from the Head

Dear Parents/Carers,

I hope you are well.

This week we had some visitors from a MAT in Gloucestershire. They were having a look around several of the Crofty Schools as part of their school improvement partnership, and they popped in to see us yesterday afternoon. The feedback myself and teachers received was incredibly positive, which is always good, however I was incredibly proud to hear how impressed they were with the children. The comments regarding their articulacy, pride of their learning and overall enthusiasm as readers was so lovely to hear. So, a huge well done to all the children who were involved, observed or had their books looked at. And of course, a massive well done - and thank you to all the staff here who were awesome as ever, took everything in their stride and carried on as normal.

That is all from me this week - we are busy trying to get the children outdoors as much as possible, making the most of this little break in the weather.

Kind regards

Kieran Walsh
