

Letter from the Head

Dear Parents/Carers,

HAPPY EASTER !!

I hope you all have a wonderful break and get to spend some quality time with your families, friends and loved ones.

From me this week, I would like to mention Mrs O'Shea. Sadly for us, Mrs O'Shea is retiring and today marks her last day here at Lanner School - after 31 years of loyal service. In fact, it was probably more as she was volunteering prior to commencing employment here. I have been here for 9 years now, and in this time I can honestly say that I have never heard a negative word come from her. She is an astonishing lady, and we are all going to miss her terribly. One of the teachers summed it up perfectly, describing her as a motherly figure for all of us... children and staff. Some adults are hard, if not impossible, to replace and Mrs O'Shea is one of these people. Her love for the children, her kindness and her amazing patience will be missed by us all. So from me and all the staff here at Lanner - Thank you Mrs O'Shea. Enjoy your retirement and put your feet up.

Have an amazing break all - we look forward to seeing you in a couple of weeks time.

Kind regards

Kieran Walsh

School play equipment

Just a polite message to request that children do not play on the school equipment / climbing frames etc at the end of the day during pick up. It is a very grey area with regards to insurance and supervision / responsibilities, so therefore we ask that it is out of bounds from 3.15p.m onwards.

During school time 8:45a.m -3:15p.m, and in after school club the children will of course be allowed to play on it and will be under our supervision and responsibility.

Thank you for your understanding cooperation with this matter.
