Dear Parent and Carers,

It has been a busy week back at school after the half term break, so no long message from me this week. Just to say that I hope you all enjoy the weekend and we look forward to seeing you all back at school on Monday.

Choir Corner

Wow! Thank you to the children who have committed to our school Choir / Musical Theatre club by showing up and trying their best. (If your child has changed their minds about attending, please do inform the office or Miss May so she can remove them from her register). After a few sessions last half term, to get a feel for singing, we were blown away with how well they could do their scales this week. We also used our facial expressions and body language in a fun exercise to help with our performances. We're excited to learn a brand-new song and will be singing our own picks at the end of the sessions. If you love singing and are going to try your best, we would love you to join, please see Miss May.

Random fun fact of the week!

Frogs drink water through their skin

Despite their wide mouths, frogs 'drink' by absorbing water through their skin and swallow using their eyes.

Have a great weekend!!
