Autumn Term Issue 10

Letter from the Head

Dear Parent and Carers,

I hope you are all well.

This week I had the pleasure of walking around Redruth School to meet some of our former pupils. It was such a lovely experience as the Lanner children seemed to stand out for all the right reasons. Of course, I am 100% biased, but the children made me feel utterly proud. They spoke with such articulation and took great pride in showing me their learning. There were lots of smiles and lots of reminiscing - I was so relieved to see how well they have transitioned into their secondary education. I left Redruth School, safe in the knowledge that they were incredibly well positioned to move forward with the next stage of their education. Our vision and drive to help shape lifelong learners really seemed to be a reality. Yesterday, I popped in to see our year 6 children and it did pull on my heartstrings a little. Time is ruthlessly whizzing by, and I wish I could slow it down.

French Themed Day: At Lanner, all children in KS2 are taught French. On Tuesday 29th November, we will be having a French Themed Day. This will be non-school uniform for the whole school - whereby we will ask children to wear something Red, White and Blue - or anything that contains one of these colours. Rest assured we will not be policing this particularly hard and if they just turn up in non-school uniform this will be fine. There will be some samples of French Food for the children to try too.

Y1—Y6 Parents drop in: On Wednesday 30th November, we will be opening the school doors at 2.30p.m for parents of children in Years 1 through to 6. We would love for you to come in and have a look at your child's books in class. It will be a great opportunity for you to see them 'in action' and have a chat about their learning. Hopefully, they will be able to tell you lots of amazing facts that they have learnt this term. We really look forward to seeing you there.

I hope you all have a fantastic weekend and look forward to seeing you next week.

Kind regards
Kieran Walsh

Random fun fact of the week!

Bees are found on every continent except Antarctica.

Wherever there are insect-pollinated flowering plants—be it in forest, farms, cities, and wildlands—there are bees. And just because you don't see obvious blooming plants, that does not mean that there are no bees around.

Have a great weekend!!
