## Wednesday 1st February

In conjunction with National Storytelling Week there is a day to celebrate the joys of reading aloud. Visit the Litworld website where you can find virtual read-alouds, book recommendations, live events, challenges and free pintables to help celebrate this day with your children.

## **Monday 30th January—Friday 3rd**

We will be celebrating National Storytelling Week which takes place every year.

*'It is a celebration of the power of sharing stories. Stories teach us about the world, they allow us to step into someone else's shoes and feel empathy, they help us to relax and escape and they can help develop essential literacy skills.'* **The Literacy Trust**

Take a look at The Literacy Trust website for some family activities to share the enjoyment of reading together.

**Random fun fact of the week!**

Although it may look round to us the moon is actually shaped like a lemon!

The moon bulges out on both the near and far side, making it shaped like a lemon.

*Have a great weekend!!*
