Spring Term Issue 9

Letter from the Head

Dear Parent and Carers,

THANK YOU so much for your incredible generosity this week. So far, at the time of writing this (Thursday), you have raised £1600. That has blown our estimates way out of the window. If I am being honest, I was hoping for £500. Your generosity and kindness will help so many people - so thank you again. The run itself was unfortunately a bit damp. It was dry and fine all day, up until the second we started the run - however, this did not stop the fun and laughter. It was lovely, to see the older children helping the younger ones and made us all incredibly proud. The most powerful and important thing from this day, is that it has really raised the awareness of the disaster and your children's compassion and kindness has been remarkable.

Other news: School reports. Teachers are busy writing your child's school report at the moment and we will have these ready for you on the last day of term. I really enjoy reading these reports and adding a little comment on them, and I know the children like to read them too. As you know, feedback between the school and at home is vital so if you ever do have any concerns - please just let us know.

Red nose day: As a staff we decided that we would take a step back from Red Nose Day this year. We did not want to bombard you with requests for donations and money (having just had World Book Day and The Turkey and Syria appeal). Therefore, next week will be a normal school week i.e. no dressing up or activities etc.

That is all from me this week. Again, thank you so much for your generosity - you have helped so many people. Have a great weekend all and we look forward to seeing you on Monday.

Have a great weekend.

Kind regards
Kieran Walsh

Friday 26th May—Inset Day

Monday 29th May—Friday 2nd June— Half Term

Wednesday 7th June 2023—Class group photos

Word of the week

Our word of the week is – **Heritage**

Definition — something that one believes, thinks, or does that comes from one's family or ethnic background; tradition.

Folk songs are part of our common heritage.

Please try and use this word as much as you can with your child.

To celebrate British Science Week, why not try out some of these amazing experiments that can be found at science-sparks.com

How to make a Bottle Rocket

MENTO Rocket

The Infamous Coke and Mentos Experiment

Space Science

Space Science Experiments for Kids

Skittles Experiment

Random fun fact of the week!

A bee has four wings, not two...

...and it beats them nearly 200 times a second.

Have a great weekend!!
