

# Year 2 Learning at Home - Summer Term 1

Please choose two tasks from each row (two major *and* two minor) to be completed by the end of term. Have fun!

Please ask if you're not sure about any of these activities.

		<b>Thinking Skills Planning Grid</b>				
		<i>Multiple Intelligences</i>				
		<b>Verbal</b> I enjoy reading, writing & speaking	<b>Mathematical</b> I enjoy working with numbers & science	<b>Visual</b> I enjoy painting, drawing & visualising	<b>Kinaesthetic</b> I enjoy doing hands-on activities	<b>Musical</b> I enjoy making & listening to music
<b>Major Task</b>	<p>1 Write a poem about Jim or the Giant!</p>	<p>2 Make your own 'golden egg' cookies. Work with an adult to weigh the ingredients accurately on a set of scales.</p>	<p>3  'Junk model' your own beanstalk (no taller than 30cm please!).</p>	<p>4 Plant a seed and write a set of instructions to go with your plant. You may like to 'plant' a castle too!</p> 	<p>5 Listen to your favourite pop song and rewrite lyrics to fit with the 'Jim and the Beanstalk' story.</p>	
<b>Minor Task</b>	<p>6 Write a descriptive paragraph about Jim <u>or</u> the giant- you may like to draw a picture also.</p>	<p>7 Make your own 'Jim and the Beanstalk' maths game.</p>	<p>8 Paper mache/ or decorate an egg so you create a golden egg!</p> 	<p>9 Make a set of simple puppets to act out the story of Jim and the Beanstalk.</p>	<p>10 Play with pitch. Can you make sounds on an 'instrument' that get higher in pitch and then lower in pitch? Imagine Jim climbing up and down the beanstalk as you play them.</p>
