Letter from the Head

★ Dear Parent and Carers,

Sorry for the very short message this week - Time has caught up with me. Another amazing week here at Lanner and the pupils books are already looking great.

★ I'll be in touch soon regarding booking slots for our upcoming parent consultation.

I hope you all have a wonderful weekend.

Kind regards

Kieran Walsh

Neurodevelopmental Assessment Team (NDAT) Parent Information Session

If you are considering or in the process of a Neurodevelopmental Referral (ADHD, ADD, Autism etc). The NHS Neurodevelopmental Assessment Team will be running some information sessions in order to tell you more about:

- The NDAT team – who are we?
- The assessment process:
- What happens in the initial appointment?
- What information we need to gather for the assessment?
- What other factors we might consider during the assessment process?
- What help is available whilst you are waiting for the assessment to occur?

We will also update you on any new developments

They have planned an online video meeting to be held via Microsoft TEAMS on **Thursday 05 October 2023 at 10am.**

To book a place please telephone 01872 246945 or email cpnr.asdteam@nhs.net

**Random fun
fact of the week!**

Bubble wrap was invented by accident when two inventors were trying to create 3-D wallpaper.

It was invented in 1957 by engineers Alfred Fielding and Marc Chavannes in America. Alfred Fielding's son, Howard, was five at the time and became the first person ever to pop the bubbles in bubble wrap!
