Autumn term issue 5

Letter from the Head

Dear Parent and Carers,

I hope you are all well.

This week I had the absolute pleasure of visiting Redruth School. Myself and Mrs Merrifield were given a tour by Mr Bonds and Mr Bartlett to see how our former pupils were getting on. The staff at Redruth spoke so highly of all the pupils from Lanner School - and we saw so many of them in high profile positions such as learning ambassadors or as student of the week etc. Redruth school and Lanner have always had a really positive relationship and we often share teaching practices and ideas; long may this continue. We were blown away with the school having lots of exciting things arranged for the coming months. But please take my word - the Lanner pupils really did stand out (no bias from me at all)

Parent consultation week. If you haven't already done so, please can you contact your class teacher to book an appointment for the week beginning 9th October. We always strive for 100% take up of these sessions and really look forward to speaking with you. If you are having any issues with the booking process, just contact the office where we will gladly help.

Mornings. Just a reminder that school starts at 8.45 a.m. Learning will start from the minute your child enters the class i.e. 8.40 onwards, as there are activities set up ready to go, however at 8.50 a.m the actual English and Maths lessons will commence. If your child is arriving at 8.45 - they will be rushing in, and we are noticing some of the same children are missing vital introductions to lessons. It is only a minority of children, so if you are one of these families, please can I politely ask you to arrive 5-10 minutes earlier. The school playground is always open in the mornings for people who wish to arrive a bit earlier and park up.

That is all from me this week. I hope you enjoy the sunshine this weekend and we look forward to seeing you all on Monday.

Kind regards

Kieran Walsh

Word of the week

Our word of the week is – **Venture**

Definition—an activity or undertaking in which there is risk or the result is not certain.

Lets venture out into the snowstorm.

Please try and use this word as much as you can with your child.

French word of the week

'un stylo'

means
'a pen'
in French.

Please try and use this French word as much as you can with your child.

Thank you to Redruth Charity Trust who have kindly donated plenty of beautiful books to enhance our curriculum. We can't wait to read them!

Topic of the week

This week's discussion is:

If I composed a piece of music but it was never played, would it still be music?

Please try to discuss this week's question with your child.

MASKS)

Tesco Blue Tokens

We have entered into Tesco's blue token scheme where we could win up to £1500.00 for the school. You can vote for us now in the Pool and Redruth Stores.

We have called our scheme 'Plot to Plate' and hope to use any funds obtained to allow more children to get involved in growing vegetables and cooking with the produce here at school.

Please vote for us when you can!

Many thanks

Random fun fact of the week!

Octopuses have blue blood...

...and also three hearts and a doughnut-shaped brain - and that's just the brain in their heads! Each of their tentacles can be said to have its own 'mini-brain' - they are each able to act independently - to taste, touch and move without direction from the main brain!
