Autumn term issue 12

Letter from the Head

Dear Parent and Carers,

A massive thank you for your efforts to arrive early this week. We have had pretty much 99% of our children sat down, ready and learning at 8:45a.m. Many thanks for your efforts.

Another week has whizzed by as we move closer towards the Christmas holidays. It is fair to say that we can feel the excitement starting to grow a little bit. It really is an incredible privilege to work in a primary school around Christmas time... the excitement, energy and of course glitter is mind blowing. We will refrain from going into 'full Christmas mode' until the last few days of the term. You will all know the Christmas dates by now, but we will of course be informing you of the finer details over the next few days. I had the pleasure of watching the year 6's practice their 'routine' today... it was amazing.

We had our final skateboard session this week - it has been such a pleasure. I am so relieved that we did not have to make one trip to A&E, and with just the odd bump and bruise to show, the children have had the most amazing time. The coach 'Eddie' and his team who worked there, were so complimentary of our children, and as always - they were super ambassadors for Lanner School.

That's all from me this week - I hope you have an amazing weekend and if you haven't already got your tree up - I hope you have fun picking one, and of course decorating it this weekend.

Kind regards

Kieran Walsh

CRCC
75 YEARS

**Random fun
fact of the week!**

It takes up to 12 years to grow the average Christmas Tree...

...During this time it has a positive impact on the environment because it absorbs carbon from the atmosphere and nitrogen from the soil.
