Spring term issue 03

Letter from the Head

Dear Parent and Carers

I hope you are all well.

I would like to start of this week by congratulating all the year 6s on an amazing residential trip to London last week. I won't go into too many details of the trip, but if you are a parent of a year 5 child - please try and chat to some of the y6 parents. I am sure you will hear nothing but positivity and wonderful stories. It was a pleasure to accompany this class of children and their behaviour and attitudes were exemplary.

Next week: I do hope you can all make the parent drop in on Monday 5th Feb next week. It will be a great opportunity to see your child's books, have a chat to them about their progress and ask them a few questions around their learning - we look forward to seeing as many of you as possible. A notification will be making its way home regarding parking and pick up etc.

Next Tuesday is safer internet day. We will of course be acknowledging and addressing this at school, so please do ask your child some questions when they get home. In a world where technology grows at such a pace it is imperative that our children know how to keep themselves safe.

That is all from me this week. Next week is the last week of half term - so I look forward to seeing some of you at the Lanner Lion assembly. Please be reminded that the first two days back are inset days, ie the 19th and 20th February - school will be shut. So the actual first day back for the children is Wednesday 21st February.

Have a great weekend all

Kind regards

Kieran Walsh

Word of the week

Our word of the week is – **Robust**

Definition 1: strong, healthy, and full of energy.

Definition 2: full of high spirits; noisy.

He broke into robust laughter.

Please try and use this word as much as you can with your child.

Are clouds in, under or above the sky?

Please try to discuss this week's

question with your child.

Parent Carers Cornwall

Drop-in Information Event

March 7th 2024
10.00am-1.00pm
Long Gallery, Eden Project

Some of the organisations attending are:

- CAMHS
- EHCP Team
- Transport
- Direct Payments
- Social Care
- And many more

With over 20 services and providers attending such as CAMHS
Speech and Language
Direct Payments
Local Offer
Occupational Therapy
SEND Team
Post 16 providers
SEND Navigators
Neurodevelopment Assessment team and many more.

This will be a fantastic information event, no booking needed, just drop in. This is in the Long Gallery next to Edens ticket desks, there is no costs to attend. The event does not give you entry to Eden but if you have a locals pass, make it a day out

Random fun fact of the week!

Ants don't have lungs.

Ants breathe in oxygen through spiracles which are a series of holes located on the sides of their bodies.
