Summer term issue 8

Letter from the Head

Dear Parent and Carers

I hope you are all well.

This week we have been up and down to the field a lot, making the most of the great weather (with the exception of today - Thursday). It has been great to see so many children scooting, walking and cycling in.

A quick request from me this week with regards to class dojo and see-saw. Whilst we love to have an open-door policy with our lovely parents, please can I ask that communication to staff be limited to reasonable hours. I had a teacher this week who received several emails on Friday night between the hours of 9-11p.m. If these messages were urgent, we would not have a problem at all, as your child's welfare is of the upmost importance to us. However, they were with regards to general class issues, i.e. lunches, uniform and class trips etc. Thank you in advance for your support with this.

Sports week. We are really excited about sports week this year - we have lots of really valuable and exciting lessons and activities planned. Everything from RSE, healthy schools to lots of sporting activities. We look forward to seeing as many of you as possible on sports day too.

And finally a massive good luck to the year 5's who are off on school camp next week. I am sure they will have an amazing time.

I hope you have a great weekend and we look forward to seeing you next week.

Kind regards

Kieran Walsh

Word of the week

Our word of the week is –

Elite

Definition 1 : those having the greatest authority or privilege or highest status.

Definition 2 : the best, taken collectively.

The prizewinners were the elite among the competitors.

Please try and use this word as much as you can with your child.

Topic of the week

This week's discussion is:

If you fill a room with bricks, is it still a room?

Please try to discuss this week's question with your child.

Pom-pom club

A BIG thank you for the donations of wool.

We have now got plenty to make lots of lovely pom-poms with!

Lanner Village Show

It would be lovely to see as many children and families taking part as possible. There are plenty of different classes, so everyone should be able to find something to interest them – growing things, making things, photography, cooking.

It's all about having fun so, please, give it a go!

Random fun fact of the week!

Angelsharks can flatten themselves to blend in with the ocean floor and ambush prey .

Angel sharks, resembling rays more than typical sharks, have flattened bodies and broad pectoral fins that help them camouflage themselves on the ocean floor.
