## Letter from the Head

Dear Parent and Carers

I hope you are all well. This week, we have had lots of children out on trips, school visits and sporting events. I am so pleased to let you know the feedback from EVERYONE was one of praise and compliments for the children at Lanner. Phrases such as 'kind and polite / hard-working / old school manners' etc were all used - and the fact that people had taken the time to email me personally, really did mean a lot. So a thank you from me to all of the children - and of course thank you all for being great role models and awesome parents.

We are all really looking forward to next Friday, lets just keep everything crossed that we have a day similar to sports day this year... Thank you all for your support with the arrangements for this and for your incredibly kind donations. We really do appreciate it.

That is all from me this week - we look forward to seeing you on Monday.

Kind regards

Kieran Walsh

**Topic of the week**

This week's discussion is:

**If you say sorry but don't mean it, but the person thinks that you do, does it count?**

Please try to discuss this week's question with your child.

## New library books!

A massive thank you to the Siobhan Dowd Trust who kindly awarded us a grant to buy some new books for our library.

These lovely new titles were hand picked by some year 6 pupils. They will soon be available to borrow in our updated library.

## School fair

Thank you so much for all your donations so far for the school fair. We are still receiving them, so please do feel free to bring any items in all next week too.

Any donations of homemade cakes, please bring on the day of the fair—Friday 12th.

Many thanks

## **Random fun fact of the week!**

**Cats are believed to be the only mammals who don't taste sweetness.**

Although they have taste buds just like we do, the receptors on their tongues that are responsible for detecting sweetness are not particularly sensitive.
