Letter from the Head

Dear Parent and Carers,

A very short one from me this week.

I really hope you have all managed to book a slot with your child's class teacher for parent consultation week. It will be great to see you all. If this time is inconvenient, please get in touch and we will accommodate you anyway we can. The relationship between parents and school, remains an absolute essential ingredient for success, so we always aim for 100% take up.

Have a fantastic weekend, make the most of the last few rays of sunshine and we look forward to seeing you all on Monday.

Kind regards

Kieran Walsh

Together for Families

The deadline for applications is 15 January 2025

Starting school September 2025

Applying for a place in a reception class for children born between 1 September 2020 and 31 August 2021

Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

...look at the **admission arrangements** on our website that will be used to allocate places for each school.

Random fun fact of the week!

A school in the Philippines is made entirely of recycled pop bottles.

The school named Bottle School is one of its kind in Asia. It took about 9,000 bottles and dozens of volunteers to build the structure. Each bottle was filled with sand, water and straw to keep them sturdy. Then, a cement-like substance was used to hold the bottles in place as they were stacked on top of each other to create walls.
