Autumn term issue 10

Letter from the Head

Dear Parent and Carers,

I hope you are all well.

A big thank you for all of your kind donations today for Children in Need. Your generosity will go a long way - we raised £159.33.

Key Stage 2 Christmas Performance. As you are well aware we are having our KS2 Christmas performance at St Andrews Church, Clinton Road on Thursday 12th December 5:30-6:30. Years 3,4,5&6 are starting their practices and rehearsals now, and these will start to ramp up over the next week or so. I thought we would use St Andrews Church this year, as we have been incredibly lucky with the weather the past couple of years (with our outside performances) and I felt that our luck will eventually run out. Plus, it is a lovely way to connect with the local parishes in our area. Father Peter will also be in attendance to open and close the performance, and I am sure it will be a lovely and wonderful experience for all. Our KS1 children are also busy getting ready for their performances on the same day (to be held here at school on 2p.m). And of course our FSU children for Tuesday 17th December. So, it is safe to say we are slooowly heading in the direction of glitter and crazy energy here at Lanner ☺.

I hope you all have an amazing weekend and we look forward to seeing you all next week,

Kind regards

Kieran Walsh

Year 4 Trip to Carn Euny

On Tuesday 22nd October, Year 4 from Lanner Primary School went on a trip to Carn Euny. Carn Euny can be found near the village of Sancreed at a height of 152m above sea level. We went because we are learning about the Iron Age at school and it is an Iron Age settlement. The settlement was partially excavated during the 1860's but more extensive excavations began in 1964. The diggings revealed the settlement had been occupied for at least 700 years and it had survived during Roman times too. We wanted to experience what it was like to live like someone in the Iron Age. *Anna B*

We found out from the information boards that they grew oats, barley and rye and kept animals such as sheep or goats and probably cattle. The villagers are likely to have been traders, perhaps dealing in local tin. *Layla*

After a short break, we found a deep, dark and damp tunnel. The tunnel led to a jet black chamber. This is called a fogou, which also means cave in Cornish. In my opinion, I think the fogou was used to keep family members after they had died and to store crops because it was cool and out of the sun.

Then, we acted out why we thought the village had been abandoned all those years ago. We acted out the villagers possibly leaving from fear of other clans or the Romans invading, however the reason is unclear why the site was deserted. *Donnie*

To conclude, I really enjoyed my trip. If you enjoy learning about history, I would recommend going to this inspiring place, Carn Euny. *Kiara*

In summary, we had a fantastic day learning about the Iron Age and I feel I have a better understanding of what it would have been like to live in those times. *Donnie*

Random fun fact of the week!

The anglo-saxons called November the 'wind month'.

The term "Wind Monath," which translates to "wind month," stood for the cold winds that can whip up in November.
