Spring term issue 8

Letter from the Head

Dear Parents and Carers,

I hope you are all well.

This week has been so exciting!! Kicking off with our World Book Day (come as an adjective). Thank you all so much for taking the time and effort to make this such a fun day. As a parent, I know too well how 'annoying' it can feel at times when schools send out their whacky ideas. However, the impact was great. I heard so many great conversations such as "you could be caring, but you could also be kind" or "that's a great adjective" and there were some cracking outfits, as well as some very simple - yet well thought out ones -i.e. light-hearted (a heart shaped balloon). All in all - it was a great day; the sun was shining and we all had pasties.

Science week: We have just had a great whole school assembly, courtesy of Redruth School. The children were treated to some amazing science experiments, involving lots of colourful whizzes and bangs. We are very fortunate to have such good relationships with Redruth School and it is such an important part of our transition programme for Y6 children going into Y7. A lot of work goes on behind the scenes between our two schools and we love working with them.

That is all from me this week, I hope you all have a great weekend, and we look forward to seeing you all on Monday.

Kind regards

Kieran Walsh

Word of the week

Our word of the week is – **nonchalant**

Definition 1 — not showing excitement or anxiety; coolly confident, unflustered, or unworried; casually indifferent.

The first suspect was nervous and edgy, but the second was completely nonchalant.

Please try and use this word as much as you can with your child.

Newsletter

**French word
of
the week**

'Vendredi'

Means 'Friday' in French.

Please try and use this French word as much as you can with your child.

**making
physics
matter**

This Friday, we had the pleasure of welcoming Mr Choules and Mrs Pascoe from Redruth School for our British Science Week assembly.

Ablly assisted by our Year 6 Scientists, Mr Choules talked to us about change and adaption, completing several fascinating demonstrations. We all had a fantastic time and would like to thank Redruth School for their continuing support with our science curriculum.
