## Letter from the Head

Dear Parents and Carers,

I hope you are all well.

This week we have had several visitors coming around our school, sharing good practices and looking at teaching styles and ideas. It was lovely to welcome these guests and the feedback that we received back was incredible. Particularly when talking around expectations - with a huge focus on our early years. Let's just say that your children really dazzled the visitors with their amazing vocabulary, their passion for learning and their beautiful writing.

In other news: Year 1 went on their first 'real' trip this week - over to Helston to visit the toy museum. Excitement levels were at an all time high in the class before they set off and they had a brilliant day out. Mrs Watson and all the year 1 staff were incredibly proud of them, and we received lots of positive comments from the staff at the museum. So well done to all of the year 1 children and staff.

New gates/BLAST: If your child attends breakfast or after school club, you may well have noticed the gates between the early years area and the KS1 playground. To keep things as simple as possible we would ask you to use the buzzer if the wooden gates, that lead into the EYFS area, are shut. If they are open, walk on through, and if the green gates are open - walk on through. The doors of the building will be locked, however staff will see you waiting. If the children are outside playing, then the green gates will be locked, but staff will be able to see you at the gate. I am sure after a day or two, this will become clearer - but if you are unsure, just ask Mrs Goodwin or Miss Roberts.

That is all from me this week, I hope you have a great weekend.

Kind regards

Kieran Walsh

### Word of the week

Our word of the week is – **nestled**

Definition 1 — to lie close or curled next to.

Definition 2 — to place or press in a snug or loving way.

The cat nestled its head against my foot.

Please try and use this word as much as  
you can with your child.

**17 - 23 March 2025**

Neurodiversity Celebration Week is about celebrating the strengths and talents of people who think and learn differently. This week and we have all been thinking about our unique strengths and differences and reminding everyone of the importance of being kind and accepting of everyone.

If you would like to continue developing these ideas at home with your children, there are some wonderful resources for parents / carers and children on the Neurodiversity Celebration Week website [neurodiversityweek.com](http://neurodiversityweek.com)

Mrs Dinham our SENCo is also available to talk through any concerns you may have regarding your child.

**Check out Class Dojo every day next week for info-grams to find out more about what neurodiversity means to young people.**
