Summer term issue 1

Letter from the Head

Dear Parents and Carers,

A very warm welcome back. It has been lovely to see all the children settle straight back into things, and we are all looking forward to an action packed, fun summer term.

On Monday 9th June, it would be lovely to open our doors up again and invite you all in for a book look -to have a look in your child's books and chat to them about their learning. It will be at 2.45p.m, however we will of course send a reminder out nearer the time.

On a separate note, I would like to ask you all for a massive favour. Over the next few months, I will be looking at careers and aspirations as part of our school assemblies. I know that so many of you have wonderful and exciting careers and I was hoping to invite some volunteers in to speak to the children. So, if you would be willing to chat to the children about your job, please could you let me know. I know we have parents who are architects, doctors, mechanics, engineers, presenters, builders, carers, lawyers.... (the list goes on) - and I know it would be hugely beneficial and interesting for the children to listen to you. So, a thank you in advance - and I promise it would not be anything too intimidating.

That's it from me this week. We all look forward to seeing you on Monday.

Kind regards

Kieran Walsh
