Summer term issue 3

Letter from the Head

Dear Parents and Carers,

What a beautiful week. It has been great to see the children out playing and learning, without cold winds, grey skies and drizzle. Long may it continue.

Firstly, good luck to all the year 6's next week. They take on the SATs tests, commencing on Monday morning. I see this as a time for them to showcase their amazing learning journey - I know they will do brilliantly, and I am incredibly proud of them all. It has been a pleasure watching this cohort pass through the school and I think it is safe to say, this year has been the icing on the cake for so many of them - they will have an amazing final summer term here at Lanner, I am positive of it.

On a separate note: I thought I would put a bit of a plea out to any parents who have children that play football. If you have any old football boots or shin pads sitting around at home, we would always be happy to take them off your hands. As you are well aware, children's feet grow so fast and I am aware of the cost of boots etc, so I thought we could set up a bit of an exchange. Or at the very least, if a child did not have any boots - then perhaps we would have a stash of them here that may help that child/family out. I know I have a few pairs at home of various sizes and colours, so I shall get the ball rolling and bring some in on Monday morning. Any donations would be warmly welcomed.

Finally, just a polite reminder that the school register shuts at 8:45 a.m. Any children who are arriving after this time are being recorded as lates. Thank you for your cooperation with this.

Have a great weekend all and I look forward to seeing you next week.

Kind regards

Kieran Walsh

Suncream & hats

Now that the warmer months are here, please can parents/
carers ensure that children have a named water bottle & sun
hat in school every day.

It will also be beneficial for the children to have sun cream
applied at home before school and to have some with them
in school (bottle labelled), so that they can reapply
themselves during the day.

Do you want to help improve the life chances of every child in your school?

- Do you want to help make a difference?
- Looking for a new challenge and want to support your local community?
- Can you spare some time to help us?

We would like another parent to join the existing team of parents, community members and staff who work together as our Local Governance Committee.

As a governor you can help make a difference to every child in the school – by being a critical friend and both supporting and challenging the school's leadership team to drive school improvement.

You do not need previous experience of governance or education – just the motivation to make a difference and the willingness to commit your time and energy.

The Local Governance Committee meets every half term on a Thursday at 4:15 pm.

If this sounds like you and you would like to find out more then please contact the school office by Monday 2 June 2025 for further information and how you can apply. Email lannersecretary@croftmat.org or ask at reception.

Most places in Cornwall will need to build new homes in the period to 2050. This is your opportunity to help us tell Cornwall Council how growth can benefit our community.

Share your thoughts on

- WHERE new homes should be built and the areas that should be **PROTECTED** from growth
- The **TYPE** of new homes that we need
- The **DESIGN** of new homes
- The **COMMUNITY FACILITIES** that will help our communities to thrive
- The **GREEN SPACES** that should be improved or protected
- How we should support our local **ECONOMY** and encourage **JOBS**
- Where **CONNECTIONS** could be improved to make it easier to reach key destinations

Cornwall Council will share responses for our city, town or parish and we'll use your feedback to produce a **Neighbourhood Priorities Statement (NPS)**, setting out our priorities for the future.

You will have the opportunity to comment on our NPS before we submit it to Cornwall Council.

Please complete the survey by 30th May. All responses to the survey, including any received after this date, will be used by Cornwall Council as evidence for the policies in the new Cornwall Local Plan.
