Summer term issue 4

## Letter from the Head

Dear Parents and Carers,

WELL DONE TO ALL THE Y6 children. I said this after the London trip, and I'll say it again. They really are an amazing bunch of children, and I am incredibly proud of each one of them. Their fantastic attitudes towards their learning was highlighted this week as they tackled the SATs without the slightest hesitation or worry. An extra well done to the Y6 children who took part in the Junior Maths Challenge too - please see separate note on this newsletter, but to even attempt this challenge is a huge achievement.

Quick note: A polite reminder to ensure your children have a school dinner booked. I am witnessing an increase in numbers of children arriving at school with no booking or packed lunches. Whilst we will always ensure that every child is fed, it is the emotional impact on the child that most concerns me. i.e. having to inform an adult here that they have no lunch booking. Thank you for your cooperation in advance with this matter.

That is all from me this week. I hope you all have a fantastic weekend and enjoy the sunshine.

Kind regards

Kieran Walsh

### Y6 Brainy Breakfast

Thank you to all our Year 6's for your fantastic efforts during our brainy breakfast mornings this week. It has been wonderful to witness your enthusiasm and energy each morning.

Well done

### Y6 Maths Challenge

Well done to the amazing year 6 children who completed and competed in the Junior Maths Challenge this week. This is an international run competition for children up to year 8. The children pictured all did a fantastic job, with one (Alexa) getting a GOLD certificate in the competition.

Well done children – we are so very proud of you.

## Do you want to help improve the life chances of every child in your school?

- Do you want to help make a difference?
- Looking for a new challenge and want to support your local community?
- Can you spare some time to help us?

We would like another parent to join the existing team of parents, community members and staff who work together as our Local Governance Committee.

As a governor you can help make a difference to every child in the school – by being a critical friend and both supporting and challenging the school's leadership team to drive school improvement.

You do not need previous experience of governance or education – just the motivation to make a difference and the willingness to commit your time and energy.

The Local Governance Committee meets every half term on a Thursday at 4:15 pm.

If this sounds like you and you would like to find out more then please contact the school office by Monday 2 June 2025 for further information and how you can apply. Email [lannersecretary@croftmat.org](mailto:lannersecretary@croftmat.org) or ask at reception.

Most places in Cornwall will need to build new homes in the period to 2050. This is your opportunity to help us tell Cornwall Council how growth can benefit our community.

Share your thoughts on

- WHERE new homes should be built and the areas that should be **PROTECTED** from growth
- The **TYPE** of new homes that we need
- The **DESIGN** of new homes
- The **COMMUNITY FACILITIES** that will help our communities to thrive
- The **GREEN SPACES** that should be improved or protected
- How we should support our local **ECONOMY** and encourage **JOB**s
- Where **CONNECTIONS** could be improved to make it easier to reach key destinations

Cornwall Council will share responses for our city, town or parish and we'll use your feedback to produce a **Neighbourhood Priorities Statement (NPS)**, setting out our priorities for the future.

You will have the opportunity to comment on our NPS before we submit it to Cornwall Council.
