Summer term issue 5

## Letter from the Head

Dear Parents and Carers,

I hope you are well.

Can you believe we are headed into our final half term? So many of you will probably be pinching yourself, and if like me, your child is moving on from Y6 to secondary school, I am sure you are filled with a mix of excitement, fear, sadness, pride and disbelief... the list could go on and on. So, let's all really enjoy the next half term - regardless of what year group, what age and whatever the weather. It will be fun and amazing (but over in a flash).

This week I had the absolute pleasure of teaching the Y2 class for a reading session. I was blown away with their questions and answers. They really are an amazing group of children (as are all the year groups of course), but it was so lovely for me to be back in the classroom with them.

A big thank you to Mr Rintoul who came into our assembly this week as part of our 'aspirations' assemblies. He was amazing - giving the children (and adults) an insight into what life is like as a GP. He was incredible - despite being well out of his comfort zone and the children asked some amazing, thoughtful questions. So, a massive thank you - and of course to all the parents who have volunteered - I will be in touch. In fact, I did have a little chuckle, as several children came up to me with requests..." Mr. Walsh, please can you get an architect in next"... "Mr Walsh - do you know anyone in the Police - I fancy being a Police officer". So, I shall do my best to fill those requests next.

I hope you all have an amazing half term, relax and have fun and we look forward to seeing you after the half term break.

Kind regards

Kieran Walsh
