Letter from the Head

Autumn term - Issue 5
09.10.26

Dear Parents/Carers,

I hope you are all well and that you have had a great week.

October marks Black History Month, and throughout the coming weeks, teachers will be delivering a range of age-appropriate lessons and activities that celebrate the achievements, contributions and experiences of Black individuals both past and present. These opportunities help our children develop understanding, respect and appreciation of the diverse world around them. Whilst Black History Month provides an important opportunity to shine a spotlight on these themes, we are proud that our curriculum celebrates diversity all year round. Across subjects, children learn about significant people, cultures, traditions and achievements from a wide range of backgrounds, ensuring that representation, inclusion and cultural understanding are embedded throughout their learning journey, not confined to a single month.

Other news: Attendance. A big thank you for the fantastic efforts you make to ensure children attend school regularly. Good attendance is one of the biggest factors in helping children achieve their full potential, and we are delighted that attendance across the school remains strong. Your partnership and commitment make a real difference. Over the coming weeks, some families may receive attendance information letters if a child's attendance has dipped below expected levels. These letters are intended to keep parents informed and to help us work together to identify any support that may be needed. Please remember that we are always here to help. If there are any circumstances affecting your child's attendance, no matter how small they may seem, please do get in touch so that we can offer advice, guidance and support.

Other news: After school clubs. We are so pleased to see so many children attending our after school clubs. If your child has not registered on a club and would like to join one, please do contact us as we will always try our hardest to make sure we find a space for them. A polite reminder to really encourage your child for full attendance to these clubs too, as this demonstrates commitment, resilience and other important life characteristics.

Thank you, as always, for your continued support and I hope you all have a great weekend.

Kind regards

Kieran Walsh

Well done!
