

YEAR 5 RE – What does it mean to Christians if God is holy and loving? (SPR 1)

Tier 3 Vocabulary	Key Learning	Recommended Reads
Holy – to be absolutely pure and perfect, without sin.	A god might be many different things to different people, depending on their beliefs.	  
Loving – feeling or showing strong feelings of care and affection.	Christians believe that their God is omniscient (all-knowing), omnipotent (all-powerful), holy, loving, eternal.	
Spirit – the non-physical being; without a body.	Christians believe that cathedrals were built to show the power of God. Different aspects of a cathedral represent God, e.g. the stories in stained glass windows, the altar.	
Eternal – not limited by time; forever.		
Omniscient – knowing all things.	To Christians, God is loving which means that God wants the very best for humans and does a lot to care for them. Christians also believe that God is holy. To Christians, this could mean that God is morally pure and is separate to humans, who may be sinful. Christians believe that God is both loving and holy which means that although God doesn't want humans to commit sins, he does forgive.	<h3>Agreed Syllabus End Points</h3> <p>Make sense of belief:</p> <ul style="list-style-type: none">Identify features of Gospel texts (for example, teachings, parable, narrative)Taking account of the context, suggest meanings of Gospel texts studied, and compare their own ideas with ways in which Christians interpret biblical texts <p>Understand the impact:</p> <ul style="list-style-type: none">Make clear connections between Gospel texts, Jesus' 'good news', and how Christians live in the Christian community and in their individual lives <p>Make connections:</p> <ul style="list-style-type: none">Make connections between Christian teachings (e.g. about peace, forgiveness, healing) and the issues, problems and opportunities in the world today, including their own livesArticulate their own responses to the issues studied, recognising different points of view.
